MAYOR CURRY ISSUES SAFER AT HOME EXECUTIVE ORDER

Mandate Will Close Non-Essential Businesses for Safety of Citizens

JACKSONVILLE, Florida, April 1, 2020 — In an effort to continue flattening the curve, Mayor Lenny Curry announced that he is issuing a Safer At Home Executive Order mandating that citizens remain at home except for critical and essential needs. **The order will take effect Friday, April 3, at 12:01 a.m.**

“While we are confident that citizens will be much safer at home in the coming weeks, I want to make it clear that this executive order does not restrict people’s ability to go outside to take a walk or ride a bike, said Mayor Curry. “This only prevents residents from traveling to businesses deemed nonessential.”

Additionally, starting Friday at 12:01 a.m., only essential businesses will be permitted to operate. Essential retail and commercial businesses that may remain open are:

- a. Healthcare providers, including, but not limited to, hospitals, doctors' and dentists' offices, urgent care centers, clinics, rehabilitation facilities, physical therapists, mental health professionals, psychiatrists, therapists, and pharmacies;
- b. Grocery stores, farmers' markets, farm and produce stands, supermarkets, food banks, convenience stores, and other establishments engaged in the retail sale of canned food, dry goods, fresh fruits and vegetables, pet supply, fresh meats, fish, and poultry, and any other household consumer products (such as cleaning and personal care products). This authorization includes stores that sell groceries and also sell other non-grocery products, and products necessary to maintaining the safety, sanitation, and essential operations of residences;
- c. Food cultivation, including farming, livestock, and fishing;
- d. Businesses that provide food, shelter, social services, and other necessities of life for economically disadvantaged or otherwise needy individuals;
- e. Newspapers, television, radio, and other media services;

- f. Gas stations; new and used automobile dealerships; and auto-supply, auto-repair, and related facilities, provided however that such businesses should ensure that customers practice the social distancing as advised by the CDC;
- g. Banks and related financial institutions;
- h. Hardware stores;
- i. Contractors and other tradesmen, appliance repair personnel, exterminators, and other service providers who provide services that are necessary to maintaining the safety, sanitation, and essential operation of residences and other structures;
- j. Businesses providing mailing and shipping services, including post office boxes;
- k. Private colleges, trade schools, and technical colleges, but only as needed to facilitate online or distance learning and university, college, or technical college residence halls, to the extent needed to accommodate students who cannot return to their homes;
- l. Laundromats, dry cleaners, and laundry service providers;
- m. Restaurants and other facilities that prepare and serve food, but subject to the limitations and requirements of Emergency Order 2020-1. Schools and other entities that typically provide free food services to students or members of the public may continue to do so on the condition that the food is provided to students or members of the public on a pick-up and takeaway basis only. Schools and other entities that provide food services under this exemption shall not permit the food to be eaten at the site where it is provided , or at any other gathering site;
- n. Businesses that supply office products needed for people to work from home;
- o. Businesses that supply other essential businesses with the support or supplies necessary to operate, and which do not interact with the general public;
- p. Businesses that ship or deliver groceries, food, goods, or services directly to residences;
- q. Airlines, taxis, and other private transportation providers providing transportation services via automobile, truck, bus, or train;
- r. Home-based care for seniors, adults, or children;
