

## #JAXGoesGold with Home Team Jacksonville

Join the Home Team and City of Jacksonville by lighting your building gold in observance of September as National Childhood Cancer Awareness Month

Help us illuminate the Downtown Jacksonville sky line September 1-7 and/or 24-30 by:

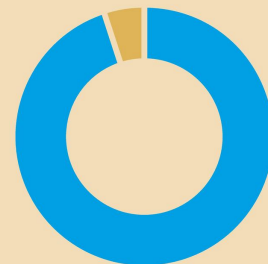

- Lighting your building gold (yellow works too!)
- Take a picture of your building lit up and use #JAXGoesGold on social to let others know you are part of the Home Team!
- Show your support to the 7 organizations that make up the Home Team

For more information, contact [kellyb@tcjayfund.org](mailto:kellyb@tcjayfund.org)

### On the First Coast:

**2** children newly diagnosed with cancer EACH WEEK

**300+** patients on active cancer treatment at any given time

**95%** of all children diagnosed with cancer in our 8-county area can receive the world-class care and services they need close to home.

## One Team. One Mission.

September 2019

# Daily's Place and Wolfson Children's Hospital
