## WEEKLY DUVAL COUNTY STR REPORT 3.7.21

## SUMMARY:

We are happy to report that Saturday of the March 7<sup>th</sup> week had the highest Occupancy rates since the pandemic began at 91% and over 16,700 rooms sold. This was more rooms than 2019 as well. Overall, Occupancy grew 2.4% this week as compared to the same week in 2020 and 9% as compared to last week. Room Demand showed a higher growth than Occupancy at 3.9% as a result of the new supply that has been added since March 2020. ADR continues to be lower than 2020's rates. Room Revenue was down \$1.1 million from same week in 2020; however, Average Rate grew 16.5% from the prior week.

All areas of Duval County saw Occupancy growth over the prior year except the Northside/Airport area. The Beaches area hotels also saw growth in RevPAR. Arlington and Westside hotels had RevPAR losses under 10% for the week. TPC and Spring Break travelers have helped increase our hotel demand.

Month to Date, Occupancy is at 76.7%, a loss of 2.9% and Room Revenue is down \$3.2 Million as compared to MTD for March 2020.

|              |              | % of   |               |        |
|--------------|--------------|--------|---------------|--------|
|              | Current Week | change | Month to Date | change |
| Occupancy    | 79.0%        | 2.4%   | 76.7%         | -2.9%  |
| ADR          | \$97.58      | -13.7% | \$91.76       | -14.7% |
